Guaranteed Accumulator MYGA

Guaranteed Accumulator 7

Sample Scenarios

George, age 82, is recently retired and wants a safe, predictable way to reposition a portion of his savings without exposure to market risk. His key priorities include:

- Protecting the principal he's worked hard to build
- Locking in guaranteed growth he can depend on
- Choosing a straightforward product that's easy to understand and manage

The premium bonus available with the **Guaranteed Accumulator 7** aligns well with these goals by offering guaranteed growth and a 3% bonus that increases his account value from day one and vests over the seven-year guarantee term. He decides to purchase this annuity with $100,000.

DAY 1 PREMIUM + 3% PREMIUM BONUS	1ST YEAR ACCOUNT VALUE	ACCOUNT VALUE AT END OF TERM (7 YEARS)	EFFECTIVE ANNUAL YIELD 1ST GUARANTEE TERM*
$103,000	**$109,077**	**$153,854**	**6.35%**

Guaranteed Initial Interest Rate 5.90% for 7 years. Assumes no withdrawals.

The **Guaranteed Accumulator 7** was a strong fit for George because it delivered the retirement certainty he was looking for: protection, predictable growth and simplicity. His savings were shielded from market volatility, boosted immediately by the premium bonus, and credited with a guaranteed rate over a clearly defined time period. As a result, George was able to grow his money without market risk, confident that his retirement dollars were working steadily and reliably in a way he could easily understand.
